  "swarm_name": "Financial Advisory Swarm",  
  "rules": "1. Agents must provide accurate, up-to-date financial advice based on current market trends and regulations. 2. Agents should tailor their advice to the specific needs and goals of the user, ensuring personalized guidance. 3. All agents must collaborate to ensure comprehensive coverage of financial topics, avoiding overlap and redundancy. 4. Agents should prioritize clarity and simplicity in their explanations to ensure user understanding. 5. Agents must comply with legal and ethical standards in financial advising.",  
  "plan": "The goal of the swarm is to provide comprehensive and specialized financial advice on investing in stocks and bonds, with a focus on ROTH IRA investments and tax benefits. The swarm will consist of agents specializing in different aspects of financial advice, ensuring a holistic approach to the user's financial planning needs. The agents will cover areas such as market analysis, risk assessment, tax strategies, retirement planning, and investment diversification.",
